Overview

Sponsor

Chief executive

Helmut Süßmuth

Sponsor

CEO PIXEL Group

Simon Ashdown

Why is open source great?

- Empirically better quality software (Wheeler, 2015)
- Modern software development techniques
- Peer reviewing
- Great opportunity to learn
- Equal opportunities

OpenSource becomes mainstream

GitHub number of active contributors (10 or more contributions) per company 2017:

1	Microsoft	4,550
2	Google	2,267
3	Red Hat	2,027
4	IBM	1,813
5	Intel	1,314
6	Amazon	881
7	SAP	747
8	ThoughtWorks	739
9	Alibaba	694
10	GitHub	676

Munich Meetup

- Learn something about OpenSource
- Meet other people interested in OpenSource
- Promote a project
- See what other people in the OpenSource scene are working on
- Have a great evening with beer and pizza

Workshop

1. Listen to the project presentations
2. Have some pizza together and join a project that you are interested in
3. Spend some time together working on the project

Hacktoberfest rules

<https://hacktoberfest.digitalocean.com/>

Hacktoberfest rules

- Register
- Open 5 pull requests
(Does not necessarily to be code)
- Get shirt
- Open one pull request in a Microsoft project to get another special shirt
